ORDINANCE NO. 2006

AN ORDINANCE BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS ADOPTING AMENDMENTS TO THE MONROE COUNTY LAND DEVELOPMENT REGULATIONS TO IMPLEMENT GOAL 105 OF THE 2010 COMPREHENSIVE PLAN AND THE TIER OVERLAY SYSTEM BY REVISING SECTIONS 9.5-120 THROUGH 9.5-123 AND SECTIONS 9.5-125 THROUGH 9.5-140 [RATE OF GROWTH ORDINANCE (ROGO)] AND REVISING SECTION 9.5-266 [AFFORDABLE AND EMPLOYEE HOUSING]; PROVIDING EVALUATION CRITERIA, POINT SYSTEM, AND PROCEDURES UTILIZING THE TIER OVERLAY AS THE BASIS FOR THE ROGO SYSTEM; PROVIDING SPECIAL EVALUATION CRITERIA, POINT SYSTEM, AND PROCEDURES FOR BIG PINE AND NO NAME KEY BASED ON HABITAT CONSERVATION PLAN AND MASTER PLAN FOR BIG PINE AND NO NAME KEY; CREATING AN APPEAL PROCESS FOR NROGO; LIMITING AFFORDABLE HOUSING ALLOCATIONS TO TIER III AREAS; PROVIDING FOR A 99 YEAR RESTRICTIVE COVENANT FOR AFFORDABLE AND EMPLOYEE HOUSING; PROVIDING AUTHORITY FOR AN ELIGIBLE GOVERNMENTAL OR NON-GOVERNMENTAL ENTITY TO ADMINISTER ELIGIBILITY AND COMPLIANCE REQUIREMENTS OF AFFORDABLE HOUSING REGULATIONS ON BEHALF OF THE PLANNING AND ENVIRONMENTAL RESOURCES DEPARTMENT; PROVIDING FOR SPECIFIC VESTING PROVISIONS; PROVIDING FOR REPEAL OF ALL ORDINANCES INCONSISTENT HEREWITH; PROVIDING FOR INCORPORATION IN THE MONROE COUNTY CODE OF ORDINANCES; DIRECTING THE PLANNING AND ENVIRONMENTAL RESOURCES DEPARTMENT TO TRANSMIT A COPY OF THIS ORDINANCE TO THE FLORIDA DEPARTMENT OF COMMUNITY AFFAIRS; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Monroe County Board of County Commissioners, during eight public hearings held in December 2004, January, February, March, April, May, and June 2005, and March 2006, reviewed and considered the proposed amendments to utilize the Tier overlay maps as the basis for the ROGO and NROGO point systems, modifications to Administrative Relief provisions and amendments to the affordable and employee housing sections of the Land Development Regulations (LDRs) limiting allocations to Tier III applications and requiring a 99 year restrictive covenant as a condition of a ROGO allocation for affordable and employee housing; and

WHEREAS, the Monroe County Board of County Commissioners directed staff to prepare text and map amendments in Ordinance No. 018-2004 adopted June 16, 2004, to include Tier Overlay Map designations in accordance with Goal 105 and revisions to ROGO and NROGO based on the Tier system utilizing a positive approach that predominately relies on land dedication and aggregation; and

WHEREAS, the Monroe County Board of County Commissioners makes the following Findings of Fact:

1. Goal 105 provides a framework for future development and land acquisition for the next 20 or more years, called the "Tier system", that considers the carrying capacity of the Florida Keys, reduces sprawl and promotes sustainability.

2. The designation of Tiers will be implemented through an overlay of the County's Land Use District Map, that will be referred to as the "Tier Overlay District Map" in the County Code.

3. The adoption and amendments to the Tier Overlay District Map will be in accordance with procedures for amending the Land Development Regulations in Section 9.5-511, Monroe County Code.

4. The Work Program of Comprehensive Plan Policy 101.2.13 directs the County to ensure that affordable work force housing remain affordable in perpetuity for future generations.

5. The Planning and Environmental Resources Department prepared draft amendments to Chapter 9.5 (Land Development Regulations), Monroe County Code, in response to the direction provided by the Board of County Commissioners and consistent with proposed amendments to the Comprehensive Plan.

6. The Planning Commission, after hearing comments at four public hearings, made changes to the staff draft and recommended approval of the amendments to the Land Development Regulations to the Board of County Commissioners on November 3, 2004.

7. The Planning and Environmental Resources Department made minor changes to the proposed draft based on direction of the Planning Commission and public testimony at the public hearing before the Board of County Commissioners in December 2004, including minor text revisions to ensure readability and correct typographical errors or omissions in the text.

8. Subsequent to the adoption of amendments to the Comprehensive Plan by the Board of County Commissioners on September 22, 2005, the Planning and Environmental Resources Department prepared further amendments to the draft ordinance to ensure consistency with the adopted plan amendments.

9. The ROGO system proposed by this ordinance greatly simplifies the scoring system for ROGO.

10. This ROGO system, based on the Tier system, is a positive system, awarding the least number of points for development applications in the most environmentally sensitive areas (Tier I) and the most positive points in areas where development is to be encouraged (Tier III).

11. The proposed ROGO system calls for awarding additional points primarily through aggregation of lots or the dedication of lots to the County for conservation purposes in Tier I and Tier II (Big Pine Key and No Name Key) and for affordable housing in Tier III.

12. A separate point system has been included for Big Pine Key and No Name Key that follows the requirements of the Habitat Conservation Plan and the Livable Communities Master Plan for the Islands.

13. Major changes are proposed in this ordinance for affordable housing to assure it remains affordable housing for the workforce, long term by requiring that all affordable and employee housing projects.

14. The proposed ordinance requires that a 99-year restrictive covenant be placed on affordable/employee housing to be kept the projects affordable future generations.

15. The 20% market rate housing permitted in employee housing projects will qualify for additional points in ROGO, to encourage mixed income projects.

16. The Board of County Commissioners reviewed the proposed amendments to the Land Development Regulations, recommended by the Planning Commission and the Planning and Environmental Resources Department.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, THAT:

Section 1. The proposed amendments to the Land Development Regulations are consistent with and further goals, objectives and policies of the Year 2010 Comprehensive Plan, particularly Goals 105 and 601 and the recently adopted set of comprehensive plan amendments to effectuate the Tier system;

Section 2. Sections 9.5-120 through 9.5-123 and Sections 9.5-125 through 9.5-140 (Division 1.5 Rate of Growth Ordinance), Monroe County Code, are hereby amended to read as follows:

If the application is rejected then the new controlling date shall be assigned when a complete application is submitted.

(b) *Fee for review of application:* Each ROGO application shall be accompanied by a nonrefundable processing fee as may be established by resolution of the board. (d) *Non-county time periods:* The county shall develop necessary administrative procedures and, if necessary, enter into agreements with other jurisdictional entities which impose requirements as a condition precedent to development in the county, to ensure that such non-county approvals, certifications and/or permits are not lost due to the increased time requirements necessary for the county to process and evaluate residential dwelling unit applications and issue allocation awards. The county may permit evidence of compliance with the requirements of other

jurisdictional entities to be demonstrated by "coordinating letters" in lieu of approvals or permits.

(e) *Limitation on number of applications:*

- (1) An individual entity or organization may submit only one (1) ROGO application per unit in each quarterly allocation period.

(h) *Revisions of ROGO applications and awards:*

- (1) An applicant may elect to revise a ROGO application to increase the competitive points in the application without prejudice or change in the controlling date, if a revision is submitted on a form approved by the planning director to the planning and environmental resources department no later than thirty (30) days following the planning commission approval of the previous ROGO rankings. Any such revision shall not involve changes to the approved building permit application. All other

applications that are withdrawn and resubmitted that do not increase the competitive points or involve revisions to the approved building permit application shall be considered “new”, requiring payment of appropriate fees and receiving a new controlling date.

- (2) After receipt of an allocation award, and either before or after receipt of a building permit, but prior to receipt of a certificate of occupancy, no revisions shall be made to any aspect of the proposed residential development which formed the basis for the evaluation review, determination of points and allocation rankings, unless such revision would have the effect of increasing the points awarded.
- (i) *Clarification of application data:*
 - (1) At any time during the dwelling unit allocation review and approval process, the applicant may be requested by the director of planning or the planning commission, to submit additional information to clarify the relationship of the allocation application, or any elements thereof, to the evaluation criteria. If such a request is made, the director of planning shall identify the specific evaluation criterion at issue and the specific information needed and shall communicate such request to the applicant.
 - (2) Upon receiving a request from the director of planning for such additional information, the applicant may provide such information; or the applicant may decline to provide such information and allow the allocation application to be evaluated as submitted.

 - b. Total the number of dwelling units for unincorporated Monroe County for which affordable housing allocation applications have been received; and,

- c. List the affordable housing allocation applications in descending order of controlling date from earliest to latest date.

 - (6) If the number of dwelling units represented by the allocation applications for affordable housing is equal to or less than the available allocation, the director of planning may make a recommendation to the planning commission that all of the allocation applications be granted allocation awards.
 - (7) If the number of dwelling units represented by the allocation applications for market rate housing, by subarea, is greater than the quarterly allocation, the director of planning shall submit an evaluation report to the planning commission indicating the evaluation rankings and identifying those allocation applications whose ranking puts them within the quarterly allocation, and those allocation applications whose ranking puts them outside of the quarterly allocation.
